The Boss Worm Medicine.

H. P. Kumpke, Druggist, Leighton, Ala., writes: "One of my customers had a child, which was sick, and threw up all food, could retain nothing on its stomach. He bought one bottle of White's Cream Vermifuge, and it brought up 119 worms from the child. It's the boss worm medicine in the world." White's Cream Vermifuge is also the children's tonic. It improves their digestion and assimilation of food, strengthens their nervous system, restores them to the health, vigor and elasticity of spirits natural to childhood. 25c at Arcadia Valley Drug Co.

FEMALE WEAKNESS

642 1-3 Congress St. **FORNAX** *Wine of Cardui*, Oct. 17, 1902. I consider *Wine of Cardui* superior to any doctor's medicine I ever used and I know what I talk. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but *Wine of Cardui* came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. *Wine of Cardui* is simply wonderful and I wish that all suffering women knew of the good qualities.

Wilhelmina Snow
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. *Wine of Cardui* cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try *Wine of Cardui* now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of *Wine of Cardui* today.

A Few Facts Concerning

Rupture

In order to become proficient in the cure of rupture, years of preparation and experience are necessary in order to practice with any degree of certainty. Dr. W. A. Lewin, the rupture specialist, is a graduate of several European and American colleges and has devoted many years to the study of this particular branch of medical science.

He treats rupture without the use of the knife, without drawing blood, without danger and without detention from regular occupation.

All is accomplished within a few weeks and no one is pronounced cured until the opening through which the intestines protrude is entirely closed and permanently healed. This is done by building up new tissue, a growth similar to that over a wound that has healed, so that the patient is stronger at this spot than he was before the rupture occurred.

Consultation and advice free. No pay required until cured to your entire satisfaction. Send for free booklet containing testimonials. 10,000 patients cured. Call or address,

This Institution is designed and constructed for the comfort and accommodation of patients who seek relief and recuperation and the recovery of lost health. Its location is admirable for this purpose. It is on the Iron Mountain Railway, 89 miles south of St. Louis, and 640 feet above that city. Nestled at the foot of Shepherd Mountain, embowered among majestic trees, just off the main street, and free from its noise and dust, and alongside, and connected with, the famed Emerson Park, with its shady walks and drive-ways, Sylvan Lake and Grant Spring, and their attractive surroundings, no more beautiful or restful retreat for the invalid and convalescent, or the weary and careworn, can be found in all America.
